## 2016 Spring Webinar Series

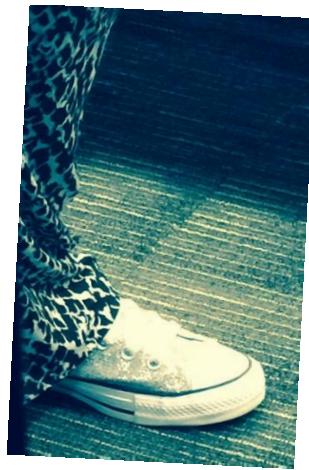

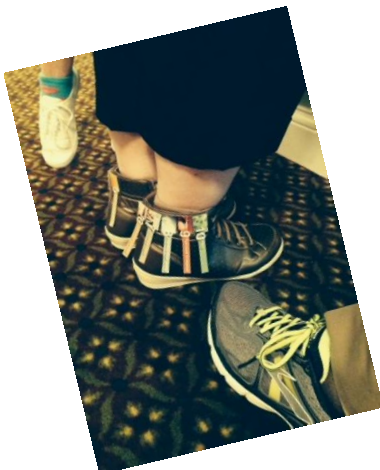

# TEN ISSUES

February 18, 2016 2 p.m. Eastern

Join us for an opportunity to determine the 10 Issues topics for 2016. Learn about the Top 10 of other organizations, predictions for technology and policy issues for 2016, and provide your input and perspective for issues your agencies face in the coming years. Discuss the pros and cons of the list developed at the 2015 Fall Meeting and help to determine YOUR action agenda for the SREB Educational Technology Cooperative!

The webinar is free but you must register to attend. **Click the following link to register:**
