

SREB Readiness Course Training

Little Rock, Arkansas

July 24-26, 2018

The Southern Regional Education Board will provide training for the SREB Ready for High School Math course. This workshop is for teachers who will be implementing the Ready course in the 2018-19 school year. Curriculum specialists and school administrators are welcome to attend, space permitting. The training will take place 8:30 to 4:30 each day, and lunch is provided.
