**WCET Updates**

To help familiarize ourselves with the federal regulations that take effect July 1, 2020, and/or if you are considering the option of early implementation, WCET is hosting its 2020 Policy Summit in partnership with University of Maryland Global Campus on April 15-16, 2020. The goal of the summit is to connect attendees with people who can inform, guide, and answer questions about how education policies, rules, and regulations, may impact their institutions. SAN members and non-members are invited to attend, space permitting. For more information and registration, click the image below:
