Subject: LAST OPPORTUNITY FOR WCET/SAN MEMBERS

Good afternoon S-SARA Coordinators,

For those of you who are WCET/SAN members, this is the last opportunity to earn the WCET/SAN State Authorization Basics Compliance Management Certificate. SAN members may register for the opportunity to demonstrate their mastery of the concepts and skills of basic out-of-state activity compliance, so if you know of institutions in your state that are also SAN members, please share this with them.

Registration for cohort #5, which will be the final assessment, is now open. Please pay special attention upon your review of the [information and registration instructions](#) to understand the parameters of the assessment/certificate and steps to register. Please note that this is a WCET/SAN project without endorsement from other organizations. As with previous cohorts, registration for cohort #5 will accommodate 50 new candidates. Based on the last two cohorts, interest has peaked and the subscription to the testing tool is coming to an end. This is the last cohort.

This is a 30-question, multiple choice assessment for which members must achieve an 80% to earn the certificate. The assessment is hosted by ExamBuilder.com and is open note/internet with no time limitations.

The 50 members selected for cohort #5 will receive an email with instructions, suggested support materials to review and keep available, and the deadline date for which the assessment must be completed (we plan the assessment to be open for two weeks). **Please review your calendar to determine whether you are available from February 3, 2020 to complete the assessment. If it is questionable whether you can complete the assessment during this time, please do not register as it may prevent someone with availability from participating as our subscription is for 50 candidates only.**

Again, assessment/certificate [information and registration instructions are available here!](#) Please read the information carefully before you register! Registration will remain open until we receive 50 registrations or January 27, 2020, whichever occurs first.

If you have any questions, please contact [Cheryl](#) or [Dan](#) at WCET/SAN.
