

2021 Gene Bottoms Pacesetter School Awards

NOMINATION FORM

School or Center Name:	
Principal/School Leader's Name:	
Email:	
Phone:	

Answer the following by marking Yes or No.	Yes	No
Has the school been an active member of one or more of the Making Schools Work networks — Making Middle Grades Work, High Schools That Work or Technology Centers That Work — for two consecutive years?		
Did the school participate in either the 2018 or the 2020 student and teacher surveys for middle grades schools, high schools and/or technology centers?		
Can the school provide evidence of student success related to SREB's key practice models?		
Is the school willing to facilitate a session at the 2021 Making Schools Work conference highlighting its successes related to a key focus area / conference objective?		

Please indicate the focus area / conference objective for which the school or center is being nominated for recognition.

	Engaging Instruction – The school ensures each student is engaged in all classrooms via quality instruction aligned to grade-level or above standards.
	Aligned Curriculum – The school provides each student access to a curriculum aligned to readiness standards.
	Career Pathways – The school ensures each student has access to and completes high-quality career pathways aligned to student interests and aptitudes.
	Systems of Support – The school ensures each student receives appropriate support to graduate college and career ready.
	Continuous Improvement – The leadership establishes systems and processes to support a culture of continuous improvement.

In 750 words or less, please describe how the school or center has successfully addressed the focus area/conference objective.

Please send completed forms to Jasmine.Jones@SREB.org by October 15, 2020.
