Legislative Advisory Council meeting sessions in Williams/Demens

7:00–8:00 a.m. Breakfast
Grand Central

8:00–9:00 a.m. Announcements and Legislative Roundtable
As legislatures prepare to convene for their 2023 sessions, what issues will be in the spotlight? Hear from and update other states in the region on your top issues.
Presiding: Representative Terri Collins, Alabama,
LAC Chair
Senator Bob Plymale, West Virginia,
LAC Vice Chair

9:00–9:15 a.m. Break

9:15–11:00 a.m. School Finance: Lessons from States That Changed Their Systems
Whether funding mechanisms to support CTE, distributing new school safety funding or changing a school finance formula, state legislators make tough decisions on allocating education dollars that require careful consideration of education goals and a systematic approach. State legislators will share their knowledge and experiences.

Panelists: Rachel Hise, Executive Director, Accountability and Implementation Board, Maryland
Representative James Tipton, Kentucky
Representative Mark White, Tennessee,
SREB Treasurer

11:00-11:30 a.m. Strategies from SREB's Student Success Advisory Council
Data across the South continues to highlight declining college enrollment, making it crucial that students across the region are knowledgeable about the college enrollment process and have the necessary support to persist through every level of postsecondary education. We will highlight the work of SREB's Student Success Advisory Council and review strategies for increasing college completion rates across the region.

Stevie Lawrence, SREB Vice President,
Postsecondary Education

11:30-Noon Teacher Licensure Reciprocity
At our Annual Meeting this past June we held a small group discussion of a proposed interstate agreement on teacher licensure reciprocity which is focused on expediting full certification across states for teachers fully certified in their home states. As the agreement takes final shape and becomes ready for legislative adoption, learn what you need to know for your state to consider adopting it.
