Policy Modification Process - 2024

Student Consumer Protections - Proposals

- Clarifies that institutions that lose SARA participation must meet state-specific authorization requirements
- Aligns SARA policy with federal requirements regarding professional licensure
- Increases options for a state to place a SARA-participating institution on provisional status
- Requires public sharing of reason for a SARA-participating institution placed on provisional status
- SARA-participating institutions must provide SARA student complaint resolution policies on their website and in their catalog
- Improves SARA student complaint data collection and reporting to include complaint type and student location
