Strengthening Pathways to Postsecondary Student Success

*Ensuring Access, Persistence,
Retention and Attainment*

Saturday, June 21, 2025

Session Objectives

- **Describe the knowledge, skills, and values postsecondary organizations** introduce, support and evaluate.
- **Explore how P-12, business and industry and state policy makers** collaborate with postsecondary to identify, develop and enhance these traits.
- **Identify career pathway connections** for all levels of learners in the region.
