CAREER AREAS AVAILABLE

Course 1: Aerospace Engineering • Clean Energy Technology • Global Logistics & Supply Chain Management • Health Informatics • Oil & Gas

Courses 2 & 3: Aerospace Engineering • Clean Energy Technology • Global Logistics & Supply Chain Management • Oil & Gas

PLANNING NOTES

During the school year Course 1 requires three daytime AC Basics sessions; all technical training for Courses 1–3 is scheduled in the evenings.

For district approval SREB issues a certificate of attendance; districts and states determine eligibility for continuing education credit.

REGISTRATION & DETAILS

Visit the 2027 AC Teacher Training Institutes webpage for registration, fees and the $1,500 multi-teacher district discount. **Questions or customized training: beth.green@sreb.org**
