**A Professional Learning Event**

# Making Schools Work Conference

July 6-9, 2021 | Online

**Be the difference. Impact your students, school and community.** Join us at the 2021 Making Schools Work Conference.

Enjoy four days of learning, collaborating and networking that can advance your K-12 school improvement initiatives and raise student achievement.

Teachers, principals, counselors, instructional coaches and state and district leaders will benefit from sessions on topics like ensuring equitable access to quality instruction and addressing the effects of poverty. Most deep-dive sessions, concurrent sessions and table talks are led by **practitioners like you with real classroom experiences to share.**

Assemble team and take home strategies you can use right away.

**Virtual attendees will have access to more than 100 conference sessions** that will remain on-demand for 30 days after the event. Plus our opening and closing keynotes and many popular sessions will be livestreamed to virtual attendees.

## Sessions help educators:

- Align curricula with standards
- Design engaging instruction
- Implement effective classroom management strategies
- Use educational technology effectively
- Provide social, emotional and academic supports
- Build leadership capacity
- Conduct needs assessments
- Support new and early-career teachers and school leaders
- Develop career pathways
