

# Be the Difference

**SREB** | School Improvement

**Making Schools Work Conference**  
Grapevine, Texas – July 19-22, 2022

## About the Conference

The Southern Regional Education Board's **Making Schools Work Conference** is the nation's premier professional development event for K-12 educators like you to share your strategies, struggles and successes. Each year, the conference offers more than 400 sessions on topics ranging from literacy, math and science to practical strategies for addressing unfinished learning and advancing equity, social-emotional learning, classroom behavioral management, quality career pathways and much more.

Thousands of teachers and school and district leaders have been attending the conference and implementing Making Schools Work's transformational school improvement practices for more than 30 years.

## Why Should You Attend?

Attendees will gain powerful insights into reaching each student and adopting new instructional strategies in their schools and classrooms. Most sessions are led by real educators who share research-based, classroom-tested tools and strategies you can use right away to spark student engagement and achievement. Teachers and leaders leave our conference reenergized and excited to share their learning with students and colleagues.

Attendees will:

- Identify ways to motivate students and help them make the connection between success in the classroom and their career and college options
- Create caring school cultures that support the social-emotional health and well-being of students and staff
- Network with other educators
- Learn promising practices from peers and thought leaders
- Explore how to use data to make informed decisions
- Learn how to build stronger school teams
- Attract, prepare and retain highly skilled teachers and leaders
