AGENCY DESCRIPTION:

The Legislature is one of the three major branches of state government created by the State Constitution. The Legislature is primarily responsible for exercising the lawmaking power of the state. Some of its general powers include the power to tax, make appropriations, propose constitutional amendments, participate in the impeachment process, establish or abolish governmental units and agencies subject to certain constitutional limitations, investigate governmental operations, hold hearings, and create corporate bodies. Unlike most other state agencies, the powers of the Legislature are not specifically listed in the Constitution or Code. Rather, the Constitution assumes that the general lawmaking power rests with the Legislature, and hence, most of the constitutional provisions are in the nature of restrictions on that lawmaking power rather than specific grants of power.

AGENCY DESCRIPTION:

The Court of Criminal Appeals has exclusive appellate jurisdiction over all appeals in criminal cases, including violation of city ordinances, all appeals from post conviction actions, and original jurisdiction of all extraordinary petitions involving criminal cases. Numerous petitions are filed by inmates, as well as by attorneys. Title 13A, Code of Alabama 1975, adds offenses to those existing at its effective date, as do the subsequent acts of our legislature. An appeal is mandatory in every capital case where the death penalty is imposed. Rule 28(A)(2), Rules of Juvenile Procedure, provides for appeals to the Court of Criminal Appeals in proceedings in which a child is alleged to be delinquent and in proceedings involving an order transferring a child to an adult court for criminal prosecution. An important factor this year will be the fact that persons who are denied parole by the Board of Pardons and Paroles can seek certiorari review of those actions in the Montgomery Circuit Court and can appeal that judgment to this Court.

AGENCY DESCRIPTION:

Governs the largest National Register site east of the Mississippi River in the U. S., approximately 3,800 acres. "This large, magnificently beautiful natural area is a history buff's delight---4 thousand years ago, Blakeley was the site of an Indian civilization--in the 18th century it was the site of a French colonial settlement and the French relocation of the Apalachee Indian Nation--During the early 1800's, Blakeley was a booming waterfront town and the first port of entry for the newly formed State of Alabama. Once larger than Mobile and the first County Seat for Baldwin before two yellow fever epidemics and high land prices wiped the town out---The last major battle of the Civil War was fought along these shores and today Civil War fortifications still wind their way through Blakeley's picturesque woods. Breastworks, remains of earthen forts, old rifle pits, redoubts and battery sites, Indian middens and mounds, archaeological ruins of old streets, businesses and houses dot this beautiful, 3,800 acre National Register site."

AGENCY DESCRIPTION: Title 33 of the Code Of Alabama gives Alabama State Port Authority the responsibility of acquiring, constructing, operating and promoting the deep-water seaport at Mobile and inland ports along the navigable waterways of the state of Alabama. The Port Authority is required by Generally Accepted Accounting Principles, the Governmental Accounting Standards Board, the Governmental Finance Officers Association and the Department of Examiners of Public Accounts to use Enterprise Fund Accounting Standards for its financial reporting. This system is a full accrual, profit center oriented system rather than a cash basis object code system. Therefore, the entire financial reporting system is incompatible with the governmental accounting system based upon a receipts and expenditure basis of accounting. The appropriation request of \$3.5 million dollars for the 2014 year is conditional, contingent upon the availability of funds and upon the financial needs of the department. This conditional appropriation is considered very important by the bond rating agencies and the bond investment community.

AGENCY DESCRIPTION:

Provides retirement benefits for state employees, state law enforcement and, on unit voluntary basis, employees of local governments in Alabama. Provides through the Board of Control administration of the System and the Judicial Retirement Fund. Maintains individual records on all members and regularly posts the creditable service and contributions thereto. Active members presently contribute seven and one-half percent of their compensation (ten percent for law enforcement). The most recent valuation of the System was performed by the actuary on September 30, 2013. In accordance with governing statutes, the actuary annually determines whether the employer contributions are providing sufficient amounts to meet the accruing liabilities for the System or if adjustments based on actuarial experience are necessary to maintain an actuarially sound condition. The ERS valuations are now based on market related asset valuations. Therefore, general market fluctuations will have an impact on future valuations and employer cost rates. The actuary, based on the latest valuation and cost-of-living adjustments (COLAs), established rates expressed as a percentage of active payroll. These rates, which included normal, accrued liability, COLAs, and death benefit costs, are as follows:

| Tier I | Actual FY 2014 | Budgeted FY 2015 | Estimated FY 2016 | |
|--|-------------------|---------------------|----------------------|---|
| Classification: | | | | |
| State Employees, Regular | 12.02% | 13.45% | 14.57% | * |
| State Law Enforcement | 35.81% | 38.37% | 42.61% | * |
| Tier II - Beginning 01/01/2013 Classification: | | | | |
| State Employees, Regular | 11.96% | 13.31% | 14.09% | * |
| State Law Enforcement | 29.52% | 32.45% | 38.98% | * |

^{*} Should there be changes in the benefits by the Legislature before October 1, 2015, these rates for FY 2016 will change.

Local Employers may participate in the System provided that, notwithstanding anything to the contrary, the System shall not be liable for the payment of any pensions or other benefits on account of employees of any local unit, whether active or retired, for which reserves have not been previously created from funds contributed by each such local unit or its employees.
