***Conference Objectives: Upon completion of this conference, participants will be able to:**

1. Evaluate and analyze applications of best academic practice for transforming nursing programs – especially during periods of transition.
2. Integrate new tools, including technology and simulation applications and active learning models, into nursing education in ways that promote greater student engagement and better outcomes, and transform learning
3. Apply effective teaching and mentoring strategies for preparing adjunct faculty and preceptors to work with nursing students in today's education settings.
4. Apply the steps involved in educational preparation of nursing students in different types of disaster preparedness involving various types of victims, including medically vulnerable ones.

****Continuing Nursing Education Credits:**

LSU Health New Orleans School of Nursing, Faculty Development, Continuing Nursing Education & Entrepreneurial Enterprise is accredited as a provider of continuing nursing education by the American Nurses Credentialing Centers Commission on Accreditation.

Participants may earn a maximum of 12 contact hours of continuing nursing education (CNE) credit based on attendance. Participants attending the program and completing the online evaluation will be eligible to receive CNE contact hours.
