Supporting Teachers All Year Long

As 2025 ramps up, SREB is continually looking for ways to support our teachers, school leaders and everyone who makes up the world of education. That is why we recently announced our latest initiative: [a crisis recovery support network](#). We are highlighting this, and so much more, in this month's edition.

Here is what else you will find this month:

[February Video Preview](#) – What's coming up on our podcast this month? Watch now!

[Podcast Roundup](#) – Don't miss the latest *Class-Act Coaching* episodes & upcoming topics.

[Teacher Compensation Data](#) – How are salaries changing? Check out the latest insights.

[New Microcredential](#) – Get a chance to receive microcredentials when you register for our coaching conference preconference workshop.

[Upcoming Events](#) – Conferences, training and networking opportunities.

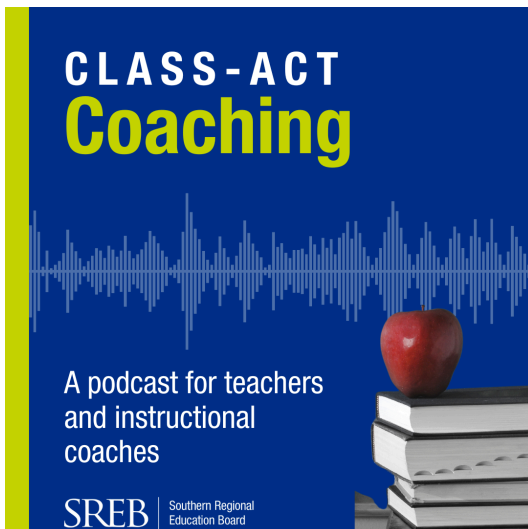

Video

In this video, watch clips from all of our February 2025 podcast episodes, including the ones that have not even aired yet!

Tips for Teachers

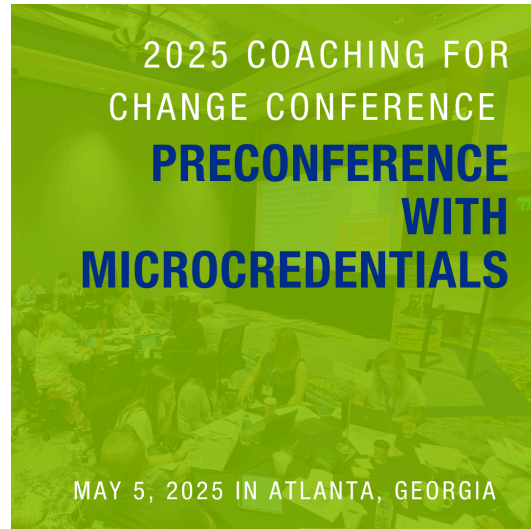

How much do teachers make in your state? How does that compare to other states? How do your school's benefits, such as health insurance and retirement funds, compare with others?

Find out this and more in our [2024 teacher compensation dashboard](#) where you will get insights into the state of teacher compensation today.

SREB Services

At this year's [Coaching for Change Conference](#), we are collaborating with engage2learn to offer a [preconference session](#).

It will focus on the science of coaching. Included with registration is a one-year license to GroweLab, where participants will have the opportunity to gain badging and microcredentials.
