

SREB Council on Collegiate Education for Nursing  
2019 Annual Meeting

***Diversity, Student Engagement  
and Faculty Development***

## Call for Abstracts

**SREB's Council on Collegiate Education for Nursing  
Annual Meeting | November 3-5, 2019 | Atlanta, Georgia**  
***Enhancing Nursing Education Through Diversity,  
Student Engagement and Faculty Development***

The SREB CCEN Conference Planning Committee calls for program abstracts for the pacesetter session at its annual conference.

### Call for Proposals

For a session highlighting pacesetting practices which are setting national trends within nursing education, the planning committee seeks speakers who can report on such practices *at their institution* in **one** of areas listed below.

- Diversity and inclusion
- Student engagement and active learning
- Faculty development
- Teaching innovations and technology
- Nursing program leadership

The speaker(s) should be prepared to address the conference for 15 to 20 minutes and engage the audience in Q&A for 10 to 15 minutes on what makes their program a pacesetter and how other programs can replicate aspects of their program. Audio visuals about the speaker's institutional program are invited.

The committee expects to name three presenters for this session. It will honor them and their institutions as the 2019 CCEN Pacesetters.

### All proposals should clearly answer these questions:

1. How does the practice or topic proposed for this presentation transition or transform nursing education (or nursing practice) — with outcomes that are consonant with excellence?
2. In what ways does this practice or topic have the potential for advancing nursing education or nursing practice, or hinder it if they are not overcome?

3. How will the presenter engage the audience with information and discussion prompts about the program or policy trend so that the audience will understand its potential impact and engage in the Q&A follow up discussion?

## Proposal Review

Proposals will be reviewed by nurse educators who are affiliated with CCEN member institutions.

## Proposal Submission:

1. Limit the proposal to 3 pages, 1.5 line spacing, 1-inch margin and Times New Roman 12 font size.
2. Give your proposal a name and type it at the top of each page of the proposal. (Do not include the presenters' names.)
3. Indicate the goals of the program or practice that you describe.
4. Describe how the program works in general terms.
5. Indicate how the program is a *pacesetter* (to conform with the session theme).
6. Indicate what metrics or evidence you have for measuring the success of the program, and briefly what you have learned from them about the program's impact.
7. Indicate any barriers or obstacles to achieving the program's goals.
8. On a separate sheet, type the name of the proposal and the names of all proposal participants, with the principal presenter named first.
9. Submit the proposal by the deadline.

Send Proposals to  
Joan Lord  
[joan.lord@sreb.org](mailto:joan.lord@sreb.org)

**Deadline for submitting proposals: September 6, 2019**

**Expect committee response by September 16, 2019**

*Presenters must confirm their agreement to participate in the session not later than September 27, 2019*
