DEFINING “COLLEGE”
Any form of high-quality education or training beyond high school. This includes certificate programs, workforce training, apprenticeship programs, two- and four-year degree programs, and military service.

THE GOAL
The goal is to ensure that at least 60 percent of Americans have some sort of degree, certificate, or other postsecondary credential by 2025. This is to keep up with changing workforce demands that require education or training beyond high school to fill positions.¹

60% 45.8% 30.0%
0% 10% 20% 30% 40% 50% 60%
National goal
Americans currently with a postsecondary credential
West Virginians currently with a postsecondary credential

COLLEGE READINESS
Three out of every ten first time college freshmen in West Virginia are not college ready¹. Students who are not college ready may be required to take supplemental courses that will help them fill in the knowledge gap to successfully complete college-level coursework.

CERTIFICATES AND DEGREES AWARDED
To students from West Virginia for the 2016-2017 academic year³

1,624 certificates
2,854 associates degrees
5,946 bachelor's degrees

WORKFORCE PARTNERSHIPS
The West Virginia Community and Technical College System (CTCS) partners with various businesses -- large and small -- to help train and educate workers, build up the state’s workforce, and provide hands-on training opportunities for students. These partnerships help grow local and regional businesses and boost the state’s economy. More than 700 partnerships have developed as a result of CTCS Workforce initiatives.⁴

IN WEST VIRGINIA, COLLEGE IS AFFORDABLE.

THE VALUE OF A DEGREE
Deciding to go to college is an investment in your future -- and in West Virginia’s future. Students who earn a college degree earn hundreds of thousands of dollars more over a lifetime than students who do not pursue postsecondary education, plus students who go to college experience more stable employment and are more likely to be civically engaged and contribute to their communities. And with West Virginia’s changing economy, it is predicted that by 2020, more than half of all jobs in the state will require a postsecondary credential.

TYPES OF INSTITUTIONS
Part of the college experience is figuring out the right college pathway for you. Below is an explanation of some of the most common forms of college:

Public two-year colleges: Offer two-year associate degree programs in a wide variety of areas as well as certificate programs that can usually be completed in six - 18 months.

Public four-year colleges: Offer bachelor’s degree programs that usually take four years to complete; many offer master’s and doctoral degree programs.

Private, non-profit schools: Offer a wide variety of degrees and programs; tuition and fees are usually higher than those at public colleges, but many offer large scholarships through donor funds.

Public career and technical education centers: Offer training to high school students, adults seeking high school equivalency or specialized licenses.

FINANCIAL AID OPPORTUNITIES
West Virginia students have a number of in-state and federal financial aid opportunities available to them, many of which are grants and scholarships, which do not need to be repaid. Below is a list of some financial aid opportunities for West Virginia students along with possible award amounts:

- Engineering, Science, & Technology Scholarship Program, up to $3,000 annually
- Federal Pell Grant, up to $5,920 annually
- Higher Education Adult Part-Time Student Grant Program, awards vary
- Higher Education Grant Program, up to $2,700 annually
- Nursing Scholarship Program, up to $15,000
- PROMISE Scholarship, up to $4,750 annually
- Underwood-Smith Teacher Scholarship Program, up to $5,000 annually

West Virginia consistently ranks among the top states for providing financial aid to students.

SCHOLARSHIP DOLLARS AWARDED
for Fall 2016-Spring 2017 semesters to students who were West Virginia residents and enrolled in a public college or university

- Federal Pell Grant (public colleges and universities only) $90,037,926
- PROMISE Scholarship $46,524,505
- WV Higher Education Grant $37,998,225
- Underwood-Smith Teacher Scholarship $96,150
- Engineering, Science and Technology Scholarship $636,980

In total, 71,697 scholarships and grants were awarded to high school graduates from the Class of 2017, totaling $222,978,623.

WHERE WE STAND
In order for West Virginia to reach the national attainment goal of 60 percent, we need 10,440 high school graduates to commit to education and training beyond high school, which we define as college. Students in West Virginia may want to consider attending one of the below two- or four-year colleges and universities. For a full list of West Virginia’s colleges and universities, visit cfwv.com.
