

North Carolina SREB Readiness Course Training

The Southern Regional Education Board is providing training for the Ready for High School Math course and Essentials of College Math course. These workshops are for teachers who will be implementing the course in the 2018-19 school year. Curriculum specialists and school administrators are welcome to attend, space permitting. Training will take place 8:30 a.m. to 4:30 p.m. each day and lunch is provided.
