SREB Ready for College Courses

The Southern Regional Education Board (SREB) has worked with states to develop two courses, *Literacy Ready* and *Math Ready*, which schools can use to help prepare students for college-level coursework before they graduate from high school. For more information, please visit <http://www.sreb.org/ready-college>.

SREB Ready for High School Courses

SREB has developed two courses to strengthen underprepared students and set them on the path to success in high school: Ready for High School Math and Ready for High School Literacy. For more information, please visit <https://www.sreb.org/ready-high-school>.
